**INSTRUCTIONS FOR AUTHORIZING OFFICIAL FOR COMPLETION OF PART A**

## SELECTION OF PHYSICIAN

- A Federal employee injured by accident while in the performance of duty has the initial right to select a physician of his/her choice to provide necessary treatment. The supervisor shall immediately authorize examination and appropriate medical care by use of Form CA-16 issued to either a United States medical officer/hospital or any duly qualified physician/hospital of the employee's choice.

  If the employee elects to be treated by a private physician, a copy of the American medical Association standards billing form *AMA OP 407/408/409; OWCP-1500a) should be supplied together with Form CA-16.

  A physician who is debarred from the FECA program as provided at 20 CFR 10.450-457 may not be authorized to examine or treat an injured Federal employee.

  Generally, 25 miles from the place of injury, employing agency, or the employee's home is a reasonable distance to travel for medical care; however, other pertinent factors must also be considered.

## PERIOD OF AUTHORIZATION

- Form CA-16 is valid for up to sixty days from date of issuance, and may be terminated earlier upon written notice from OWCP to the provider. It should not be used to authorize a change of physicians after the initial choice is exercised by the employee.

## FEDERAL MEDICAL FACILITIES

- U.S. medical facilities include Public Health Service, Military, or VA hospitals. Federal health service facilities (health units) established under 5 USC 7901 are not U.S. medical facilities as used herein (see 20 CFR 10.400)

## DEFINITION OF INJURY

- The term "injury" includes damage to or destruction of medical braces, artificial limbs and other prosthetic devices. Eyeglasses and hearing aids are included only if the damages were incidental to a personal injury which required medical services. Treatment for illness or disease should not be authorized unless approval is first obtained from OWCP.

## DEFINITION OF PHYSICIAN

- The term "physician" includes doctors of medicine (MD), surgeons, podiatrists, dentists, clinical psychologists, optometrists, chiropractors and osteopathic practitioners within the scope of their practice as defined by State law. The reimbursable services of chiropractors under the FECA are limited by statute to physical examination, related laboratory tests and X-rays to diagnose a subluxation of the spine; and treatment consisting of manual manipulation of the spine to correct a subluxation demonstrated by X-ray.

## FORM COMPLETION

- Part A shall be completed in full by the authorizing official. The authorization is not valid unless the name and address of the physician or hospital is entered in Item 1 and the signature of the authorizing official appears in Item B. Check B1 or B2 or Item 6, whichever is appropriate. In case of illness or disease, only Box B2 may be checked

  Show the address of the proper OWCP Office in Item 12. Send original and one copy of Form CA-16 to the medical officer or physician. If issued for illness or disease, a copy must also be sent to OWCP.

## ADDITIONAL INFORMATION

- See 20 CFR and/or Chapter 810, Federal Personnel Manual (FPM).

**Information for Physicians – See Reverse Side**

## INFORMATION FOR PHYSICIAN

**YOUR AUTHORIZATION**

- Please read Part A of Form CA-16. You are authorized to examine and provide treatment for the injury or disease described in Item 5, for a period of not more than 60 days from the date of issuance, subject to the conditions in Item 6. A physician who is debarred from the FECA program as provided at 20 CFR 10.450-457 may not be authorized to examine or treat an injured Federal employee. Authorization may be terminated earlier upon written notice from OWCP. For extension of the authorization to treat beyond the 60 day period, apply to the office shown in Part A, Item 12.

**USE OF CONSULTANTS AND HOSPITALS**

- You may utilize consultants, laboratories and local hospitals, if needed. Authorize semi-private accommodations unless a private room is medically necessary. Ancillary treatment may be provided to a hospitalized employee as necessary.

**REPORTS**

- After examination, complete items 14 through 38, of Part B, and send your report, together with any additional narrative or explanatory material, to the address listed in Part A, item 12. If the employee sustained a traumatic injury and is disabled for work, reports on Form CA-17, "Duty Status Report" may be required by the employing agency during the first 45 days of disability. If disability continues beyond 45 days, monthly reports should be submitted. Reports from all consultants are also required. Delay in submitting medical reports may delay payments of benefits.

**RELEASE OF RECORDS**

- Injury reports are the official records of OWCP. They shall not be released to anyone nor may any other use be made of them without the approval of OWCP.

**BILLING FOR SERVICES**

- OWCP requires that charges be itemized using the AMA standard "Health Insurance Claim Form" (AMA OP 407/408/409; OWCP-1500, or HCFA-1500). Each procedure must be identified, in Column 24 C of the form, by the applicable Current Procedural Terminology (4th edition) Code CPT 4. A copy of the form may be supplied by the employee at the time treatment is sought.

- Payment for chiropractic services is limited to charges for physical examinations, related laboratory tests, and X-ray to diagnose a subluxation of the spine; and treatment consisting of manual manipulation of the spine to correct a subluxation demonstrated by X-ray.

**TAX IDENTIFICATION NUMBER**

- The provider's Tax Identification Number (TIN) is an important identifier in the OWCP system. To speed processing and to reduce inaccuracy of payment, the provider's TIN (Employer Identification Number or SSN) should be shown on all reports and billings submitted to OWCP. If possible, providers should decide on a single TIN – either corporate or personal – which is used consistently on OWCP claims.

**ADDITIONAL INFORMATION**

- Contact the OWCP shown in item 12 of Part A.
